

Vincent joined IYHA's Uganda Board of Directors in 2015. Holding a bachelor's degree in Sociology and master's degree in Development Studies, Vincent has a keen interest in promoting and improving communities through education and has been heavily involved in community development work since 1996, specializing in creating HIV/AIDS prevention awareness programs and facilitating communities' active participation in HIV/AIDS prevention research in Uganda. He currently works with the Medical Research Council/Uganda Virus Research Institute & London School of Hygiene and Tropical Medicine Uganda Research Unit heading the Community Engagement Team at the Masaka Clinical Trials field station. Vincent is a member of the Masaka Diocesan Development Organization, serves on a number of school management boards, including as President of the Board of Governors at St. James Jjaga Secondary School (one of IYHA's partner schools), and is a proud member of the Lions Clubs International through the Masaka Lions Club. Vincent is IYHA's Ugandan Board Chair.
